Labor Law Conference  
Planning Committee

Dear John Bishop, Noah Barish, and Labor Law Conference friends,

Labor's Community Service Agency is deeply grateful for your kind donation to our Labor nonprofit. It is an honor to have these funds donated under the name of Norman Malbin, and we will ensure they are used to build solidarity through kindness to our brothers and sisters in their time of need.

Year after year, we are proud to serve working families through our financial assistance, educational, and community engagement programs. Whether it is paying the rent of the Trimet bus driver injured at work, but struggling through the broken Workers Compensation system, or educating thousands of children to see all the union jobs in their everyday lives through our Labor Day Scavenger Hunt program, or paying for the car repairs for a Union sister trying to get through her apprenticeship training.....Labor's Community Service Agency is there.

Your donation will go a long way in providing solidarity to our movement and the individuals and families who build it. We appreciate your support and hope to continue and build on our relationship for years to come.

In (grateful) unity,

Eryn Byram, Executive Director  
Labor's Community Service Agency, Inc
